Austin This book has some great tips for anyone who is truly motivated to focus on their dream and then attain it! This young couple made a plan together (a very important step!) then implemented it, becoming homeowners in a very short period.0 of 0 people found the following review helpful. Yay for you guys!By allsizeproI learned so much from this young couple about setting goals and then working hard until attaining them. Very inspirational!0 of 0 people found the following review helpful. What every teenager and 20something needs to readBy SeptemberSongA short read, but well-worth you time. It would be best read while you are young. Great money and budgeting tips.

How to put yourself in the home buying drivers seat, tell the banks to shove it, and be the king of your castle! My method of saving bought me a mortgage free home in 5 years, and it can do the same for you. Find out how!

About the Author Joshua and Elizabeth Peterson are a young couple raising 3 beautiful children in the bluegrass covered hills of Kentucky. They have a passion for personal growth and development that extends beyond budgeting and mortgages. Joshua is currently developing his civilian career in IT and Elizabeth is a home-educating mom (herself as well as the kids) blogging and writing books on the side. They are eager to make the next step towards financial security and are currently saving for the purchase of another home.
